President's Report

ANZAC Day

Once again we successfully completed our support for this important event, ANZAC Day. This year we were asked by the RSL to provide, free of charge, a sausage sizzle along with the usual coffee/tea/biscuits with financial support from the RSL and support for some equipment from the Shire. We decided that we would request other attendees to provide a donation to support Disaster Aid Australia and this amounted to \$473.10. A good result for a worthy Rotary cause.

Members once again well supported the event **but with a difference**, in that for the first time in my experience, the ladies, Lyn, Joyce, Vicki, Pam, Dianne and Judy outnumbered the gentlemen Peter, Tony and myself. Once again it was obvious that everyone not only worked well together but also enjoyed themselves and that's what service is all about.

Snow graciously agreed to present our wreath at the San Remo ANZAC Day, which was held on Saturday 24 April and I was proud to do this at Cowes.

Celebration

I thought I should mention that the Club celebrates **our 39th anniversary** on 4th May (Chartered 4th May 1977)

NEXT WEEK Club Assembly

Next Monday, May 2nd, we are back at the RSL and **this will be our third Club Assembly for the year**. I reiterate that this provides an opportunity for all members to put forward their views as to how we can further strengthen our Club and to provide input to the new club President, Phil and his Board to plan the 2016 2017 year.

I have asked each Board member to actively seek input from their committees on any matter you would like to have discussed. The opportunity will also be there on the night.

The night will be a dinner meeting served in the ANZAC room at \$25.00 per person with your orders being taken from a menu at 6.00pm meeting with dinner served at around 7.15/7.30 pm.

I will send out an Agenda separately to members.

I really encourage every member to attend this important evening.

Sunday 26th June @ the Adventure Resort commencing at 1200 noon. Further details regarding this important function will be advised soon. Please save the date. We want to see you there!

JOIN The Rotary Treasure Hunt!

Our club has all sorts of wonderful things in all sorts of wonderful places, but we've since realised we don't really know where!

Perhaps you have a box of memorabilia sitting at home in an office, or a printer or camera? A laptop or software? Maybe some Rotary pins or uniforms that you don't need?

Even other things like donated goods that never quite found their 'forever' home or decorations from previous Rotary events and fundraisers?

The board are working to compile an asset list of all these things (big and small / old and new) so we make use of these them or find them a more suitable home.

We also need to get a final list of all the loved and not-so-loved items in our Rotary shed - are there any members willing to do a stock take - (we don't need to count our furry friends that live there!)

Please email a list of the things you have (or know of) to: treasurer@rotary-phillipisland-sanremo.org.au

[Ed:] Oh, and this is a notice for past members and friends too as it sometimes happens that a person moves on with intentions to return items and then life gets busy and this chore is forgotten for a time. So please EVERYONE have a hunt for those old Rotary items and return them. Many thanks.
