President's Report

Our meeting on Monday was filled with information and fun. As far as information is concerned Rob gave us a presentation on what happens with our \$220 subscriptions. This came about from a number of questions I have had raised from members and Rob certainly provided a comprehensive overview. For those who were not there I will send everyone a copy of his report so that we are all "in the picture" and Rob has kindly offered to answer any questions.

I had also been asked by a number of members to clarify who is responsible for two projects with which we are involved namely the "Days for Girls" and the children's "hospital gowns". Again for those not present the Days for Girls project is a Rotary project, which was introduced to the Club by Stevie and is now managed by Vicki under our International Committee. The hospital gown is an Inner Wheel project led by Jan Hudson. We are proud to have our members involved with each of these projects and wish them well.

Phil gave us an overview of the MotoGP contract, which will be discussed at our Board meeting on Tuesday. We are grateful for the work that Ted has undertaken on this for the Club and Ted will further discuss a number of points with the GP Corporation which require further clarification. Phil advised members that this is an important fundraiser for the Club and distributed a parking roster for members to commit their time over the 5 days. We need all the support we can get from our members. As he also pointed out the work we do is great publicity for our Club and is also great for fellowship and having fun. We will keep you all informed with progress.

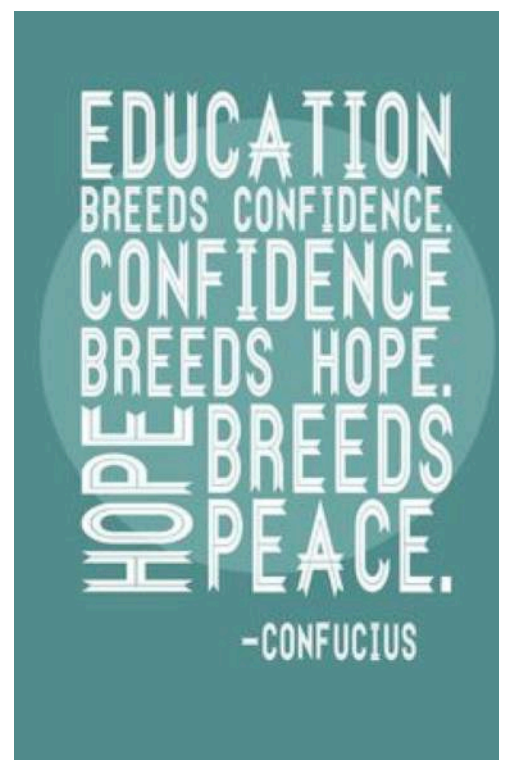

You will recall that the KooWeeRup Lang Lang Club had invited us to join them on 21 October. They have had to cancel this because of other commitments so we will revert to our usual night at the RSL to thank volunteers and our members who help us at the Grand Prix.

Ian Mc fee has requested that members who will be visiting the Dutson Downs waste facility need to pay the \$40.00 to cover costs at our next meeting.

As far as fun was concerned Ian once again led a great 'Sergeants' session that had laughter filling the room. Thanks from all of us Ian.

My thanks go to all members attending and as well it was great to have Maggie Cross with us once again.

Keith

Serious business that is the Secretary report

Loose change vanishes around here

The face of an imminent holiday!

Welcome back from holiday!

Boys in charge – at least let them think they are ☺

Loving the Bistro meeting format!

Scheming ways to relieve us of loose change

Cheers! Glad that reporting biz is over!
