Meeting every MONDAY at 6.30pm. Visitors Welcome. RSL, Thompson Ave, Cowes.

President's Report

We have now completed two weeks away from the RSL and each of these have been hosted by Rob Easton. I was away for the first vocational visit arranged by Ian Mc Fee and from reports that was both interesting and a great fellowship occasion. The second was at Rob's Fat Seagull and once again it was a great night, good food, and a lot of fun with 5 Rotarians from Wonthaggi Club joining us.

My sincere thanks to Rob for his and his staff's welcoming service. We are back at the RSL for next Monday's meeting

Probus

I was invited to attend and speak about the connection between Rotary and Probus at the combined South Gippsland Probus Club's Meeting held at the Bass Hotel. I found the interaction useful and informative and re-emphasises the need for our Club to maintain a close relationship

with the three Clubs in our area, which our Club was directly involved in their formation. Their membership numbers are well beyond Rotary Clubs in our District with the combined total of the three Clubs being around 250.

Rotary Cluster & Board Meetings

I am also attending our Cluster Presidents' meeting on Sunday at Korumburra and as well we are having a Board meeting this Wednesday. We will communicate the outcome of these meetings to members next week.

Moto Grand Prix

We are desperately short of member support for this event, which is one of our major fund raising events. If you haven't put your name forward then I encourage you to do this as soon as possible. If you are unable to be there then maybe you have a friend /relative who may be able to be there and replace your services. We have committed to this project so must honour that commitment. Please help if at all possible.

MotoGP Parking HELP PLEASE 16 – 17 – 18 October 2015

This is a major Club fundraising event and it relies on members and friends pulling together, rallying around and fronting up for duty to help the seamless process of bike parking at the racetrack.

Please join us.

Two shifts per day 7am - 1pm and 1pm - 7pm. It is a lot of fun! Please let me know your availability, and please ask your friends... all help appreciated. It is going to be a big year with tickets sales selling well.

Thanks, Ted Jeffery.

NEXT MEETING: Monday 5th October. **Bistro – 2for1 – Meeting**
Speaker: Andrew Phillips will share about his journey as a pharmacist, father and on being a local Councillor.
Apologies & Guests: Please advise John Tennant on phone: 0418 919 009 by 3pm.

VOLUNTEERS NEEDED

The Rotary Op Shop needs your help. The Op Shop contributes significantly to all of the good work we are able to do across the community and the globe. Without more volunteers our projects will suffer. Please pop in and say hello to Pauline and chat about when you may be able to lend a hand. Ask friends if any of them may like to help out.

MAKE THE ORDINARY COME ALIVE

Do not ask your children to strive
for extraordinary lives.
Such striving may seem admirable,
but it is a way of foolishness.
Help them instead to find the wonder
and the marvel of an ordinary life.
Show them the joy of tasting
tomatoes, apples and pears.
Show them how to cry
when pets and people die.
Show them the infinite pleasure
in the touch of a hand.
And make the ordinary come alive for them.
The extraordinary will take care of itself.
